SIDE-BY-SIDE BOOKS

FOR ALL AGES AND READING LEVELS

DESIGNED BY PSYCHOLOGIST DR. SHELAGH ROBINSON,
MIRROR READ BOOKS TAKE STORIES INTO
UNUSUAL PLACES AND INSPIRE UNIQUE
INTERACTIVE ADVENTURES.

IT'S CONNECTED READING

TRANSFORMING STORY TIME INTO A GAME:

THE TEXT IS BACKWARDS - EASY TO READ IN
MIRRORS, TOGETHER.

YOU CAN READ THIS

UNLOCK THE STORY
WITHOUT A MIRROR
AND PLAY WITH YOUR
RIGHT-BRAIN: **PURE MENTAL MAGIC.**

RECIPE FOR MIRROR READING SUCCESS:

TAKE 10 MINUTES AND A READING BUDDY, ADD:

- 1 MIRROR READ BOOK
- 1 BIG OR FULL-LENGTH MIRROR
- 1 CUSHION
- BLANKIE (OPTIONAL)

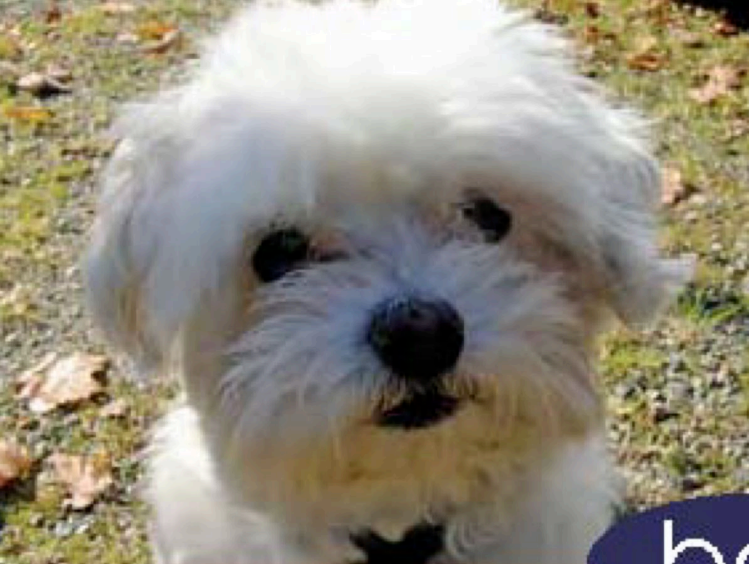

- * SIT ON THE CUSHION WITH YOUR BUDDY, BOTH OF YOU FACING THE MIRROR.
- * BEGIN BY LOOKING AT THE BOOK WITHOUT THE MIRROR – SEE HOW THE PAGES ARE FLIPPED DIFFERENTLY? NOTICE THAT THE WORDS ARE REVERSED?
- * THEN, HOLDING THE BOOK OPEN TO THE MIRROR, REVEAL A WORLD OF WORDS THAT ARE EASY TO DECODE - DISCOVER MAGICAL PERSPECTIVES THAT YOU CAN EXPLORE TOGETHER.

CHECK OUT THESE FUN NEW WAYS TO PLAY WITH MR BOOKS IN MIRRORS:

- * Start with a Yell, “Look! I can read the words in the mirror! And I can see you too!” (or a variation)
In short: Grab your buddy’s attention and make a connection.
- * Spell out words in the mirror together; winking at each other when you get them right.
- * At the end of some lines, wrinkle your nose, and see what happens!
- * Turn the page, make a funny face, turn the page, make a funny noise...
- * Quick! Whenever one of you laughs, point at the smile in the mirror.

WATCH THE TWO OF YOU READING, AND
CONNECTING, FROM A VERY NEW POINT OF VIEW.

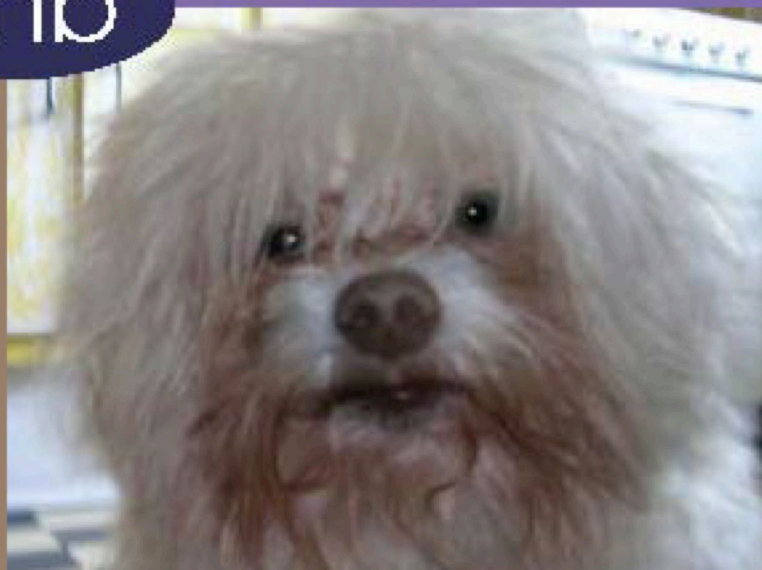

Mr. Two

and

Mr. Three

They are funny little dogs.

One of
them is
nice and
soft...

The other smells
like frogs.

Mr. Shuc and

port likes to surf,
but never does not.
port rides the waves –

no one
rolls in for.

One
thing
I
love
about
it.

The other
looks like
a wet rat.

A small, fluffy white dog is sitting in a large pile of dry, brown autumn leaves. The dog is looking directly at the camera with dark eyes and a black nose. In the background, a wooden lattice fence is visible.

a question:
put it

"Who wants to play
in the leaves?"

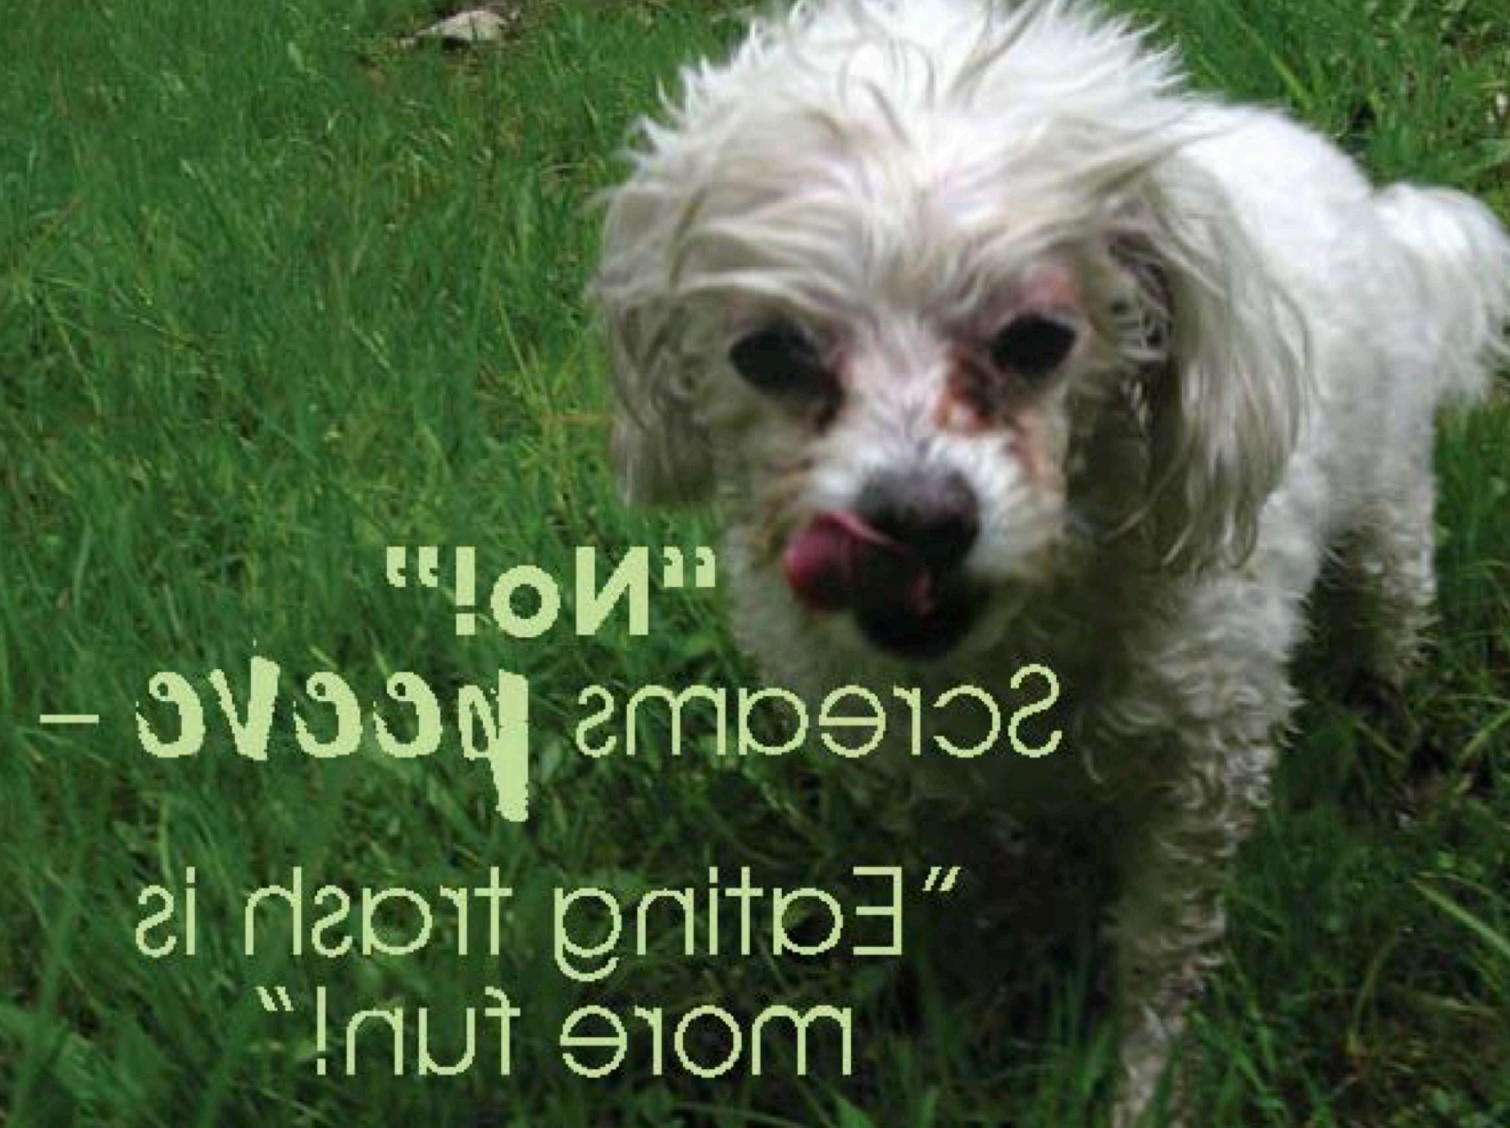

"Not me! Let's get
messy!"

Yells
with power.

"Hey!"
calls
- the

"Should
we go
for a
run?"

"No!"

– even humans

"Eating trash is
more fun!"

one thing
But, the

they
agree on

Is the one who
wins the prize:

– In the “Land” for “Cutest Citter”

...is
both of them!

Two sides of
the same dog...

...with puppy
eyes.
